

# How to download your digital badge from Moodle

## Step 1

### Complete the Assessment

Finish the required quiz or activity that awards the digital badge.

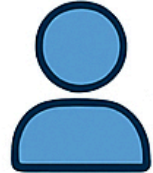

## Step 2

### Go to Your Moodle Profile

Click your picture in the top-right of Moodle. Select 'Profile' from the dropdown menu.

## Step 3

### View Your Badges

On your profile page, scroll down and look under the 'Badges' section.

## Step 4

### Select the Badge

Click on the badge you want to download. This opens the badge details page.

## Tips

### Download the Badge

Click on 'Download' to save your badge as an image file. You can also share it to platforms like Backpack or LinkedIn.
